

# Little Heartfelt Home

DESIGN SERVICES

Every child's room  
should feel warm,  
cozy, and inspired.

YOUR DREAM SPACE IS WAITING.

## MOODBOARD DESIGN SERVICE

An all-in-one plan for families who want to cut the design and research time and get direct links to everything they need to bring the customized moodboard vision to life.

From bed frames and rugs to bedding, pillows, and lamps, every layer is thoughtfully selected to create a room that feels cozy, stylish, and perfect for your child now and as they grow. Scroll to learn more about my moodboard design service.

COST PER ROOM

\$400.00 + HST

This covers the cost of the customized digital moodboard with all shoppable links. *This does not include any products.*

**Save 25%** on your digital moodboard when you allow us to share the final design on our social platforms.

Only the curated moodboard and product links may be featured—never personal photos, identifying details, locations, or names. Your privacy is always protected, while your project helps inspire others.

## DESIGN & INSTALLATION

*From concept to completion.*

Every room transformation begins with a **discovery call** and a **custom moodboard**, ensuring we're aligned on your vision, style, needs, and budget before any work begins. Once your design is finalized, we take care of the rest. From demolition and custom feature walls to wallpaper installation, playroom builds, furniture assembly, and final styling, we bring your child's dream space to life from start to finish.

---

## SERVICE AREA

We proudly offer installation services throughout **Toronto and the Greater Toronto Area (GTA)**.

## PRICING

Every project is unique and priced based on the scope of work.
